

Patent: Preliminary Amendment
Attorney Docket: 949797-100029 US
Express Mail No. EL 975107455 US

Remarks

The specification has been amended to include a cross-reference to the parent application to which this application claims the benefit of priority under 35 U.S.C. §120 as required under the rules.

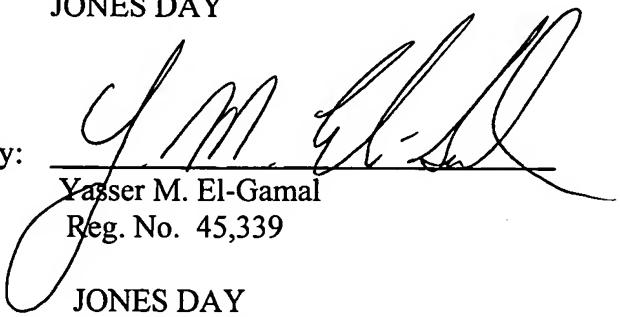

Claims 30-37 and 40, 42-49 remain in this application with claim 30 being the sole independent claim. Claims 1-29, 38-39, 50-107 have been cancelled without prejudice. Claim 41, due to a numbering error, never existed. Claims 42 and 43, which previously recited dependence on non-existent claim 41, have been amended to depend from claim 40.

The pending claims now stand as they did in the parent application Serial No. 09/663,598 filed on September 15, 2000 at the time of the Final Office Action dated January 17, 2003.

Respectfully submitted,

JONES DAY
